## **Behaviour**

Since the start of term behaviour has been very good in school and on the yard. Class 4 in particular have made a brilliant start to the term. I observed a mathematics lesson last week and their attitude to learning was outstanding. Well done everyone; keep up the good work!

## **British Values**

Children are taught to be tolerant and respectful towards others. This work is having a positive effect on individual behaviour and attitude. If you visit our website, you will notice we have invited visitors to school to discuss their faith and culture. Mrs Robertson is forging links with a large London school; a school with at least 25 different nationalities under one roof! It would be a great experience for our children if we could visit in the future!

## **Parent Questionnaires**

Thank you for completing and returning the questionnaire; your views are very important to us. Please contact the school, if you have not received one.

## **Holiday Dates**

Holiday dates for **2015-2016** can now be found on the school website.

## **Reading and Homework**

Children are given homework every week. They are encouraged to read at home every day and change their book as often as possible. If your child is not bringing their books and homework home, please contact us as soon as possible. Thank you.

## **Credit Union Savings Club**

The savings club now takes place fortnightly. The next club will be held on Wednesday 11<sup>th</sup> February. New members can join at any time during the year.
