Y3– Kailem

Class 3: Harvey and Jack

Class 2: Luke

Class 1: Alfie

Nursery: Darcy

Sports Stars

Alexis (Reception)

Well done to all of our achievers this week!

Happy New Year

It has been lovely seeing all of the children coming into school this week and hearing about all of the adventures that the children and staff have been having during their holidays. The children have quickly settled back into school life and are ready for learning new things this term.

Nursery children are learning about Space.

Reception children are travelling around the world.

Y1 children are looking at explorers.

Y2 children are finding about animals.

Y3 and 4 children are learning about The Romans.

Y5 and 6 children are exploring the rainforests of South America.

You will be finding out more about this in the curriculum leaflets that you will be receiving.

We welcome Mr Horsman to our school. He will be teaching Year 2 children.

Mrs Clements
Head Teacher

Attendance

Class 4 were the winners this week with 98%

Whole school attendance: 93%

We have an improvement on last week but unfortunately we have not met the government target of 96%.

We'll need to try even harder next week everybody!

School Clubs

We currently have 3 sports clubs running after school and we are hoping to have more starting next week, which include a ukulele club, a lego club and board games club.

(Further information to follow)

Tuesday– Dance Club

Wednesday—Key Stage 2 Sports Club

Thursday Reception/Key Stage 1 Sports Club
