Week 2— Head teacher's Message

I have seen some great examples of pupil behaviour around school this week. The children in Bearpark Primary School are a credit to you and the whole community. I have received three comments from visitors about the manners and behaviour of our children. This week has been filled with lots of new opportunities for our children including a visitor from Beamish, a yoga session, outdoor learning and some wonderful writing about volcanoes. I wonder what next week will bring?

Bearpark School News

- We welcome Mr Stevens to our team this week. He is working with the Year 2 children and will stay until Mrs Jones, our new Deputy Head Teacher starts. Unfortunately, due to personal circumstances, Mr Horseman was unable to continue here.
- Mrs Kirton will continue to teach the Year 4 children for English and Maths. Teaching Year 3 and Year 4 separately, allows for children to make better progress. Miss Hutton will continue to teach the children together during afternoon sessions.
- Please park and drive carefully at drop-off/pick-up times please.
- The Friends of Bearpark School continue to raise funds which pay for activities and resources for our children. If you have any new ideas or would like to come along to the next meeting, please come along at 1.30pm on Monday afternoon. Your ideas will be valuable.
