KS2 Art Project

Mrs Barber, our art lead, is currently working with Beamish Museum and the Mining Art gallery in Bishop Auckland to plan an arts project for the new year. We are hoping to achieve an Arts Council Award.

Our pupils will get to visit both Beamish and the art gallery and will be learning about mining and art work produced by the miners, especially the work of Norman Cornish.

Most of the cost for this project is being covered by the art gallery and Beamish. We are very grateful for their help and support.

On Sunday 3rd December, at 3:00 pm, the Bearpark Christmas lights will be switched on by none other than our own Mrs Clements! Mrs Clements was honoured to have been asked to fulfil such an important community role.

Whole school attendance: %

We have an improvement on last week but unfortunately we have not met the government target of 96%. We'll need to try even harder

Early Years' Super Hero Day

Superhero Dan visited Reception class this week. This was a great way to end the class topic. He talked about the history of superheroes, the children made comic strips and they all dressed up—even Miss Jobson and Miss Thomas!!! They were Batman and Catwoman.
