### English activity 3

# Worksheet: Punctuation

Most sentences end with a full stop (.). Sentences that are a question, end with a question mark (?). Sentences that express surprise, anger or fear, might end with an exclamation mark (!).

Look at the sentences below from the story. Re-write each sentence in the spaces underneath, adding the correct punctuation at the end.

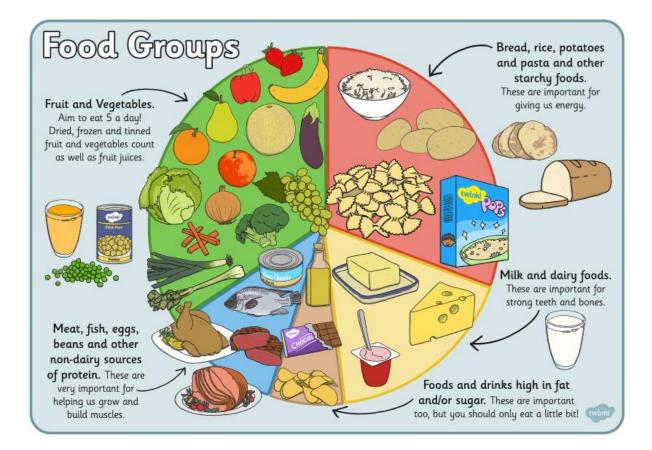

- 1. What's wrong
- 2. But this time, it had Spider on it
- 3. If we fall into the water, they'll eat us alive
- 4. Spider chattered happily to himself
- 5. Steady boy
- 6. Emery continued to paddle carefully

# <u>Handwriting</u>

Practise your weekly spelling words using cursive handwriting.

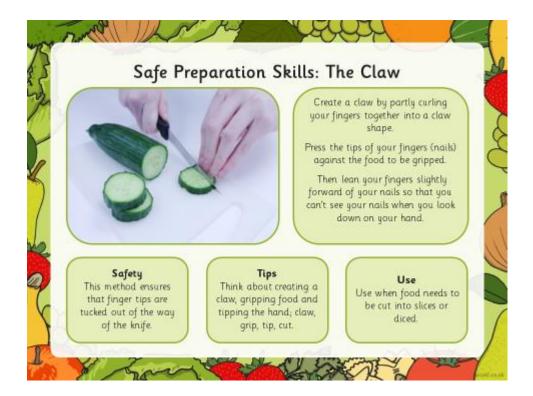

| enjoyment |
|-----------|
| sadness   |
| careful   |
| playful   |
| plainness |
| argument  |
| merriment |
| happiness |
| plentiful |
| cheerful  |

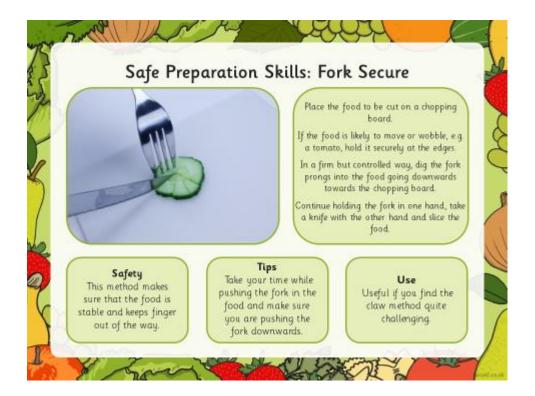

#### Topic – Healthy Eating and Preparing Salads

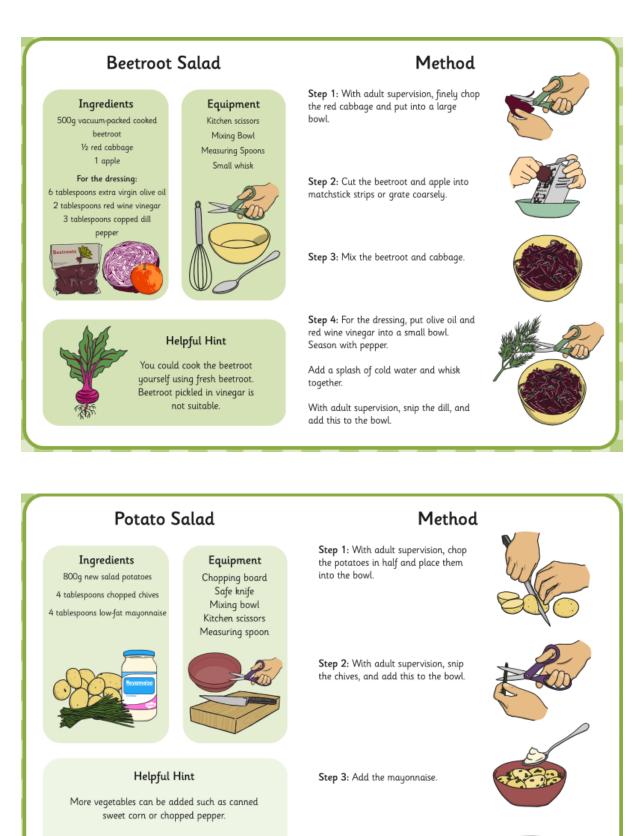

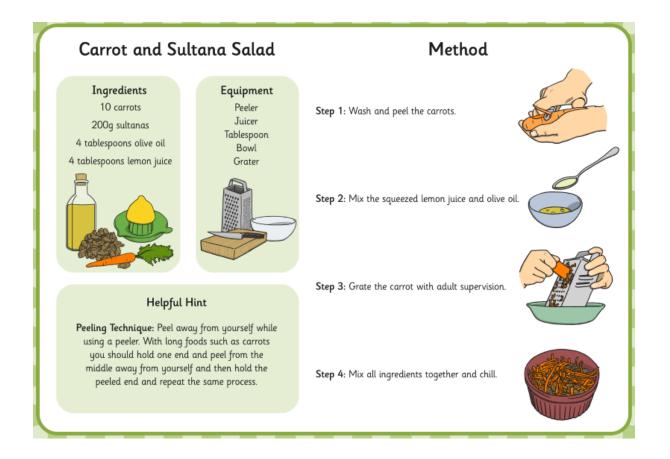

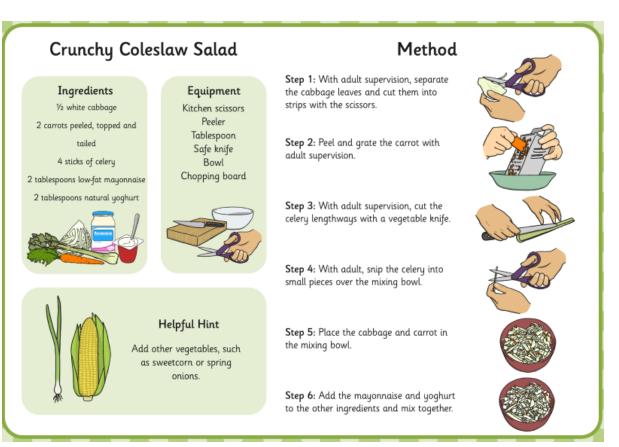

See below some recipes to try....

To change the flavour of the salad, try adding different herbs, e.g. mint or dill.

**Step 4**: Gently mix all of the ingredients together.

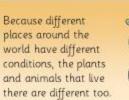

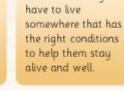

#### Science: World Habitats

# World Habitats

Do you remember how plants and animals rely on the environment around them to provide them with everything they need?

the right conditions to help them stay

This means they

## World Habitats Rainforest Arcti We are going to find out about some of the different habitats around the world, and Desert some of the different plants and animals that live there.
