

Friday 25th September 2020

Christmas Cards

Children have been making their Christmas cards in school this week. They will be coming home tonight, if not already home, with an envelope. If you would like to make an order, please put the card and money into the envelope provided and return it to school via your child next week.

Covid-19

We have not had any positive cases of Covid in our school. Thank you to all of our community who are following the government advice and maintaining social distancing and not mixing with other families outside of school. Thank you to all of the parents who are dropping off and collecting promptly too.

DB Primary to prepare for a possible lockdown

Thank you to everyone who responded to our text questionnaire. For those children who do not have access to a device, work packs and work on the website will be provided by the class teacher. For those with access to a device, DB Primary will allow your child to access ongoing and unlimited home learning. The class teacher will respond to learning throughout the day, in the event of a school closure.

Years 1 to 6 will have received their access cards for DB Primary by today.
