

Wednesday 10th February 2021

Thank you for all of your support with remote learning over the last 6 weeks. The majority of pupils are engaging in online learning every day and staff are working hard to ensure that the daily learning provided, will ensure that children will not fall behind.

We hope that you have a lovely half-term holiday next week. Remote learning will begin again on Monday 22nd February 2021.

Vouchers and Hampers

Taylor Shaw, who supply the school meals, continue to provide weekly food hampers to our pupils on benefits-related free school meals.

Durham Local Authority have provided the food vouchers for the holiday period.

National Geographic Magazine

We have purchased a magazine subscription for all of our pupils who are entitled to additional support funds. The first issue will be distributed this week.

Positive Covid Test

Please continue to let us know if your child tests positive for Covid or if your household is self isolating, even if they are remote learning at home.

Each day, we have to complete a return to the DfE about our school community and one of those questions includes the number of children self isolating or have tested positive.

Please continue to email bearpark@durhamlearning.net as opposed to phoning school. The office is not always manned and staff are busy with children of key workers and nursery pupils.

If you have any questions about remote learning, please email the school or the class teacher directly.
