Happy New Year!

Welcome back to a new term. I hope that you all had a lovely Christmas and New Year.

We had, like you, hoped it would be different this term but unfortunately we continue with many restrictions. The children are all happy to be back to learning and we will continue to remain open for as long as it is safe to do so.

We currently have 7 members of staff absent. Thank you to everyone who has completed the remote learning questionnaire that has been texted out to parents/carers. We may need to put this into practice at short notice.

Breakfast Club remains open for essential workers. I will let you know as soon as we are able to open this up for more children.

Tea Club remains open every night after school. This can be booked by emailing or phoning Mrs Thompson in the school office.

There are no enrichment clubs offered by our staff this term. We will start these again as soon as it is safe to do so.

Please continue to follow the ever-changing government advice. Please do not send your children to school if they have had any covid symptoms. If your child has symptoms, they will need a PCR test booked online or by phoning 119. For children who have no symptoms, you can keep us all safe by testing children at home with lateral flow tests.

We will let you know in our weekly newsletters about future events such as Jubilee celebrations, parents evenings, sports festivals, and many more special and exciting events.

Please continue to email your child's teacher if you have any questions, concerns or compliments.
