

Friday 21st January 2022

Dear Parents/Carers,

The number of positive Covid cases in school continues to increase for both staff and children. To help us continue to protect the school community, please use lateral flow tests at home and let us know about any positive cases. These must also be reported on gov.uk website.

Everyone can test on days 5 and 6. If these tests are both negative, children and staff can return to school on day 6.

Work is provided on DB Primary when children are isolating.

Thank you for your ongoing support during these challenging times.

Mrs Clements
