

Friday 8th September 2023

Happy New School Year

Welcome back to school. It has been lovely hearing the children talk about what they have done with their families during the holiday. The sunshine has continued this week so it still feels rather like the summer term.

We welcome into our school 15 new reception children and 4 new starters into Miss Hutton's Class.

We had a huge amount of building work done during the holidays. This will continue for the coming weeks. There will be some changes of classrooms and exit/entry doors ahead, as we will need to close certain parts of the school building.

We will let you know by text when there will be changes.

Please can parents/carers remember that all children need their PE kits in school every day, along with a water bottle and their reading book.

Please ensure that all jumpers and cardigans have your child's name on.

All of the teachers have an enormous amount of exciting learning and new topics for your children. A curriculum leaflet will be shared with you next week.

Language Club and Football Club will start next week. Due to the building work, all other clubs will begin the following week. These will include Lego, motor skills, book, singing and Lexia.

Finally, don't forget to keep up-to-date on our school facebook page. This is a great way of showcasing all of the wonderful things that happen in Bearpark School. Thanks to all of the people who support us with positive comments.

Things to look forward to next week

Monday	Brendan's PE Workshops Durham Academy to speak with Class 4D Football Club
